REDEVELOPMENT UPDATE

Construction work on the new Lakeside Joondalup Shopping City is progressing well as we transform the centre to become the largest shopping centre in WA upon completion, due to open late 2014.

Once opened Lakeside Joondalup Shopping City will offer customers a new two-level, 12,000 square metre Myer department store, a new casual dining precinct and approximately 95 national and local retailers.

With the new look South Mall and multi-deck car park now open; works are now progressing on the Coles refurbishment which is set for completion in late August 2014. On completion, Coles Joondalup will become the first of their 'Next Generation' stores in Western Australia, focussed on creating an outstanding customer experience. While construction work is underway, Coles Joondalup will remain open for business as usual.

You may have noticed that a number of hoardings have been erected up on the CBD level of the Centre. These hoardings have been erected to start works on the Centre's new Food Terrace along with laying new terrazzo on the floors.

We continue to thank you for your patience while we work to bring you a new improved Lakeside Joondalup Shopping City.

Should you have any enquires regarding redevelopment works, please visit www.lakesidejoondalup.com.au or call us on 08 9404 9013.
